

Sčítání a odčítání

Postup výpočtu:

$$260 + 70 = 300 + 30 = 330$$

$$330 - 70 = 300 - 40 = 260$$

$$260 + 70 = 260 + (40 + 30) = (260 + 40) + 30 = 300 + 30 = 330$$

$$330 - 70 = 330 - (30 + 40) = (330 - 30) - 40 = 300 - 40 = 260$$

170 Sčítej a odčítej.

$460 + 70 = 530$

$230 + 80 = \underline{\hspace{2cm}}$
